Welcome to summer!

This is a great time of year to enjoy the sun, catch your breath, make some family memories, and cherish those you love! It's also a great time of year to grow spiritually in unique ways!

In this guide you will find many opportunities to press forward spiritually with your church family. Let's pray that God will develop our hearts, use us to reach new souls, and prepare us for His ongoing work. Let's anticipate that God will do some wonderful things during these warm and beautiful months.

We are praying that this season will renew you, encourage you, and strengthen you for the journey!

HOW TO BE
BLESSED

*Do you want **God's blessing** in your life?
Do you desire to **experience His best**?*

A lot of people assume that God is able to bless, but that He's reticent to do so—as if He's holding back blessing, using it as leverage to get something from us.

Experiencing God's blessing is a lot simpler than you may think! In this series, we're going to dive directly into the heart of God and rediscover His desire to bless!

WHERE FAITH BECOMES ACTION.

BAPTISM

Baptism is the next step, after belief, for any serious follower of Jesus. Baptism is like a wedding ring—it's an outward sign of an inward decision. It's a decision to publicly identify that Jesus is your personal Savior. Have you recently placed your trust in Jesus to save you? Then let us help you plan a time to be baptized soon.

JOIN *in Membership*

Membership is more than a formality—it's a meaningful covenant between a believer and a local church family. It's a shared commitment where the church lovingly supports, shepherds, and invests in your spiritual growth, while you faithfully live out your walk with Christ under its care and leadership. Together, it's a partnership that nurtures discipleship, deepens community, and strengthens the body of Christ.

SERVE *On a Team*

Volunteers are at the heart of this mission. Whether you're welcoming guests at the door, teaching in children's ministry, serving on the worship team, or helping behind the scenes, every role matters deeply fulfilling God's calling for this church.

INVEST *In God's Work*

God graciously invites us to invest into His purposes in reaching unbelieving hearts. We give because He has first given us His own Son. He provides for our needs and invites us to steward His gifts well. As we are generous through the local church, we are investing in the kingdom of Jesus Christ and His work in transforming the hearts of people!
